

In 1968, Dr. King said:

“I won't have the fine and luxurious things of life to leave behind. But I just want to leave a committed life behind...”

If I can help somebody as I pass along,
If I can cheer somebody with a word or song,
If I can show somebody he's traveling wrong,
Then my living will not be in vain”

In the spirit of

Dr. Martin Luther King, Jr.'s example of dreaming with
vision and living with a purpose
